

# Studies & Research

OUR WORK

2022

## Our main trends in 2022

€11.4 M

DEVOTED TO RESEARCH

  
**125**  
 contracted studies  
 and research projects  
 (€5.9 M)

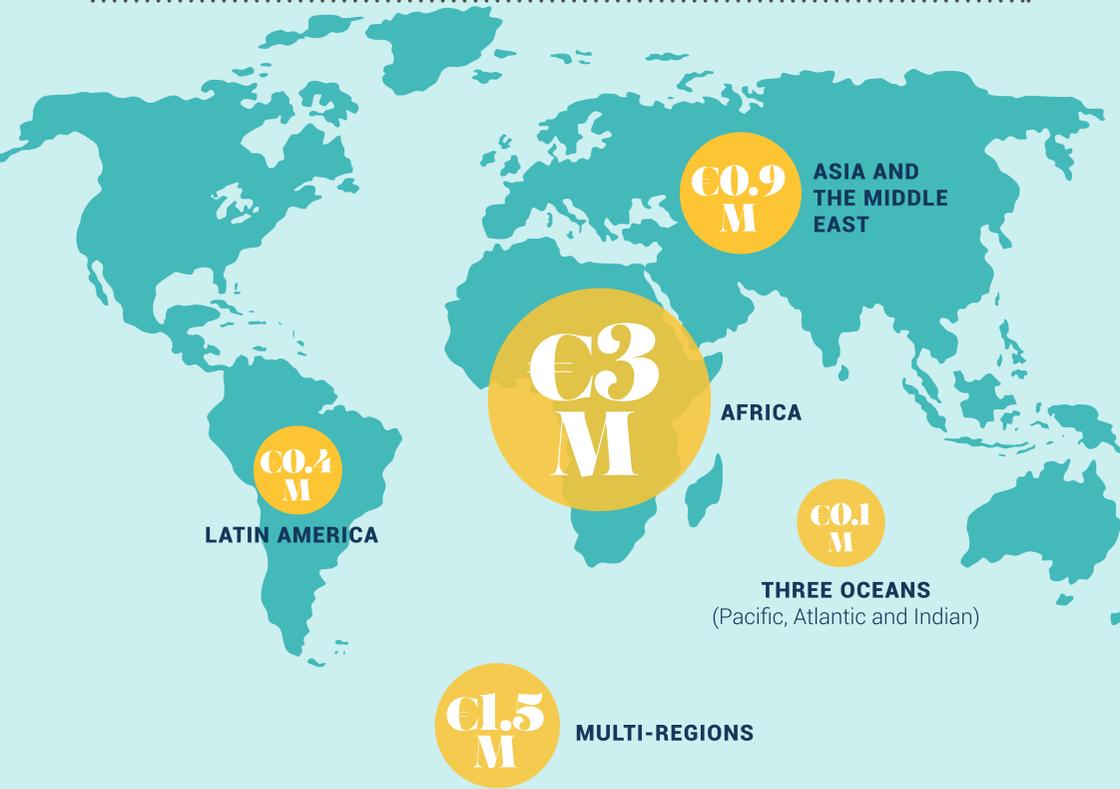

+

  
**4**  
 research projects  
 awarded to partners  
 (€5.5 M)

  
**25**  
 events  
 that attracted more than 3,000 people,  
 44% of them from the Global South

  
**25**  
 opinion  
 columns and  
 publications

## Studies covering all of the areas where AFD operates

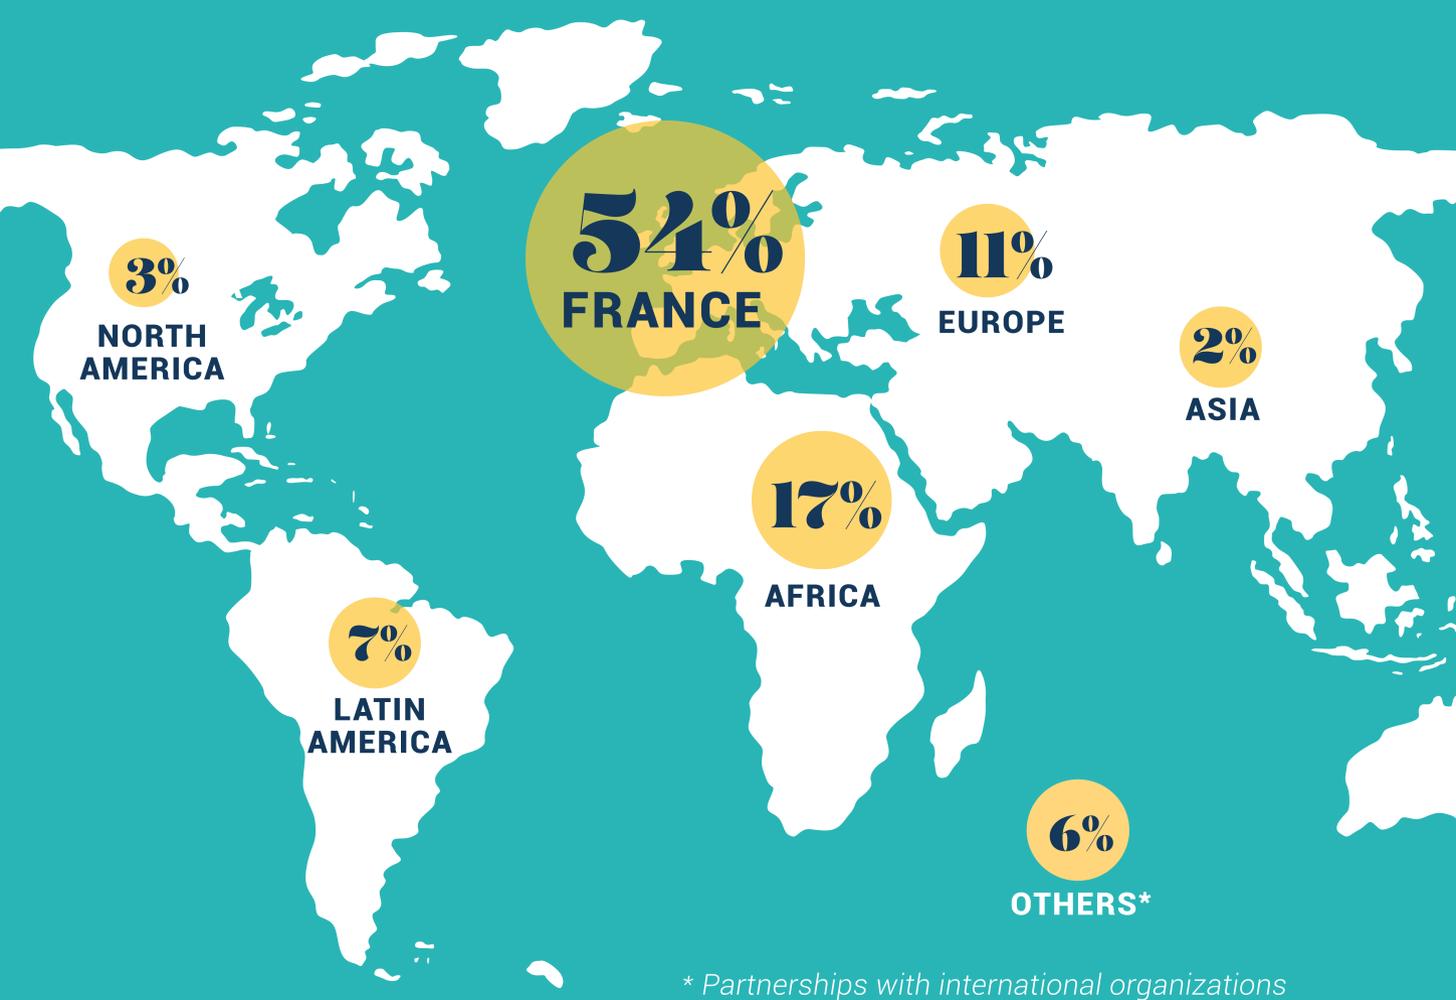

## Research at AFD: five signature programs...

## ...whose results contribute to public policy dialogue

## Research partnerships are central to our approach

## Focus on Africa

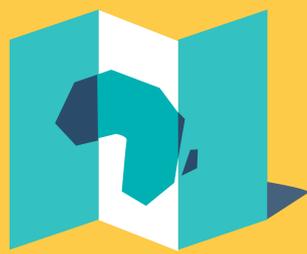

**50%**  
of the amount of contracted studies and research work in 2022 focused on Africa

**46** partners in Africa

Two stylized human figures in yellow, one holding a flag that displays the number 46.

## Three examples of support for African research

**Global Africa,**  
for creating an African multi-disciplinary scientific journal

**ACE Impact,**  
for developing programs of academic excellence

**Partner,**  
for creating regional networks and partnerships
